

Extra Odds Baccarat

With Extra Odds Baccarat, after the first card is dealt, the system calculates the odds for the banker to win, the player to win and both to tie, and allows you to make another bet.

True Odds Black Jack

With True Odds Black Jack, there are no other people at the table who might "mistakenly" take a card. Pick up a handheld for pocketcasino gaming only at The Venetian and The Palazzo high-limit slot cage or Lagasse's Stadium gaming lounge cage.

Extra Odds Black Jack

With Extra Odds Black Jack, after the first card is dealt, the system calculates the odds for you winning, pushing or busting, and allows you to make another bet.
