Fusion Mixology Bar at The Palazzo brings Latin -inspired cocktail experience to guests

Regional influences create a fun, high-energy bar on casino floor

Las Vegas, Nevada (November 12, 2009)---- Creating a new energy on the casino floor at The Palazzo, Fusion is a Latin-inspired mixology bar with beautifully handcrafted cocktails focusing on the Latin American beverage culture. Designed by award winning bartenders and mixologists, Fusion's cocktail menu focuses on Brazilian, Peruvian, and Mexican regions of the world. Flavorful music and video from Latin America play throughout the day and night as guests enjoy delicious fusions custom made by a skillfully trained mixology team.

The mixology team at Fusion create select cocktails through *muddling*, a technique that uses the concept of mixing fresh fruit with a stainless steel rod, by hand, to create a refreshing, all-natural concoction. Examples include the Peruvian-fused *Pisco Tango*, with mango infused Barsol Pisco Quebranta, fresh lime juice, rock candy syrup, and funkier mango puree; Brazilian-infused *Pineapple Batida* with Agua Luca Cachaca, fresh pineapple juice, and sweetened condensed milk; or the Mexican-fused *Paloma* with pink grapefruit, tequila, rock candy syrup, fresh pink grapefruit juice and 7 Up.

“Fusion brings the regional beverage culture of Latin America to The Palazzo,” said Sebastien Silvestri, executive director of food and beverage for The Palazzo and The Venetian. “With fine spirits such as rum, pisco, cachaca, and tequila coupled with fresh fruit, the cocktail experience at Fusion will allow guests to enjoy a premium beverage in a high energy environment.”

Along with the finest cocktails, gaming machines consisting of blackjack, keno, poker, and slots will be conveniently located at the bar. Happy Hour Specials occur daily from 5 p.m. – 7 p.m. and 10 p.m. – Midnight. Fusion is located on The Palazzo casino floor and is open 24 hours a day.
